## AREA BUSINESSES COME TOGETHER FOR EDUCATION!

Each year, with the help of Armstrong, United Way of Butler County recognizes active public school educators who exemplify leadership and outstanding dedication to students and the wider community through the Red Apple Awards.

This year, with the help of area businesses, we are able to enhance the program by presenting each winner not only with their beautiful crystal apple award, but also with a gift of \$500 designated towards educational purposes or needs within the building or department that they represent.

The Red Apple Awards will be presented at the United Way of Butler County's Annual Meeting and Campaign Celebration and Leadership Butler County Graduation on Wednesday, June 15<sup>th</sup> at 7:30am at Founders Hall, Butler County Community College.

Please join us in thanking this year's Cash Award Sponsors:
