You Can Still Help...Send Your Gift Today!

United Way of Butler County's 2010 Campaign is nearing an end, however, we are still short of meeting vital needs throughout the community. **That is why we are asking for your help!** If you have not yet sent in your donation, we ask that you do so now. If you have already contributed this year, and feel you are in the position to make an additional contribution, you will be helping vital programs continue to operate. Without these additional funds, programs will suffer...programs that individuals and families depend on each and every day. **Remember, together we can make a difference in the lives of others!**
